

9121 Old Mill Street Lithia Springs, Georgia 30122

Dear Prospective Sponsor:

Aspiring to empower the younger generation with essential life skills, Ambrose Foundation, Inc reaches out to your organization in hopes of gaining your support for our first Wine & Food Tasting Charity Fundraiser, benefitting the work of local youth-based 501c3 non-profit organizations.

The Ambrose Foundation, a non-profit organization, supports local charities by organizing and hosting golf tournaments, charity events, and educational workshops to raise funds, and more importantly, awareness and support of non-profit 501c3 organizations.

The 501c3 organizations we support must be local and actively working to empower, develop and help equip our youth with the tools needed to succeed in a challenging world. The organizations we select are youth-based and community focused. In addition to raising funds to donate to charities, the Ambrose Foundation also helps youth support community through volunteerism.

On Saturday, **November 1, 2025**, the Ambrose Foundation will host its first Wine & Food Tasting Charity Fundraiser. Our goal for the event is to net a minimum of **\$10,000**, with the proceeds going to selected 501c3 organizations.

We hope you find it in your heart to help in any capacity with this enormous but rewarding task. Thank you for your time and hope to hear from you soon.
